

# Mandy Moore, Have A Little Faith In Me

When the road gets dark  
And you can no longer see  
Let my love throw a spark  
Have a little faith in me

And when the tears you cry  
Are all you can believe  
Just give these loving arms a try baby and  
Have a little faith, faith in me

Have a little faith in me  
Have a little faith in me, oh and  
Have a little faith in me  
Have a little faith, faith in me

When your secret heart  
Cannot speak so easily  
Come here baby, from a whisper start  
To have a little faith in me

And when your back's against the wall  
Just turn around and you, you will see  
I will catch your, I will catch your fall just  
Have a little faith, faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith, faith in me

I've been loving you for such a long, long time  
Expecting nothing in return  
Just for you to have a little faith in me  
You see time, time is our friend  
Cos for us there is no end  
All you gotta do is have a little faith in me

I will hold you up, I will hold you up and  
Your love gives me strength enough to  
Have a little faith in me  
Oh faith, darlin'

Have a little faith in me  
Oh, faith
