

Mandy Moore, Have A Little Faith In Me

When the road gets dark
And you can no longer see
Let my love throw a spark
Have a little faith in me

And when the tears you cry
Are all you can believe
Just give these loving arms a try baby and
Have a little faith, faith in me

Have a little faith in me
Have a little faith in me, oh and
Have a little faith in me
Have a little faith, faith in me

When your secret heart
Cannot speak so easily
Come here baby, from a whisper start
To have a little faith in me

And when your back's against the wall
Just turn around and you, you will see
I will catch your, I will catch your fall just
Have a little faith, faith in me

Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith, faith in me

I've been loving you for such a long, long time
Expecting nothing in return
Just for you to have a little faith in me
You see time, time is our friend
Cos for us there is no end
All you gotta do is have a little faith in me

I will hold you up, I will hold you up and
Your love gives me strength enough to
Have a little faith in me
Oh faith, darlin'

Have a little faith in me
Oh, faith
