

Mandy Moore, Lighthouse -A Walk To Remember

Let the light
From the lighthouse
Let it shine on me
I wonder (I wonder)
If the light from
the lighthouse
Would shine (would shine)
Would shine on me

Here is my thought
This is my plea
Lord let your holy light
Shine on me
I wonder will you
Hear my prayer
I know im not worthy but i need your help
Lord shine your light
Shine it this way
Shine it so i can see which way to take
my faith is in you to bring me through
i have one question

I wonder (I wonder)
If the light
From the lighthouse
Will shine (will shine)
Will Shine on me
