

Mandy Moore, Not Too Young

You looked at my face
Thought you could get me
Better look twice
It won't be that easy
Think it's because you're a little older
All you'll get from me is my cold shoulder
You shouldn't judge someone by what you see
You may be wrong
Like you were wrong about me
I'm not too young to know
The right things to do
And one of those things is
Not to fall for you
Boy I don't want no play
Didn't you hear me say
I'm not going to fall for you
So please just go away
It didn't work out the way that you planned
Bragged to your friends
Said you were the man
Now what you going to do
Since your plan is blown
Couldn't get this little girl
Now you're crying all alone
Too bad you judged me by first sight
It's too late now
So kiss your chance goodnight
I'm not too young to know
The right things to do
And one of those things is
Not to fall for you
Boy I don't want no play
Didn't you hear me say
I'm not going to fall for you
So please just go away
You say you want me
When you don't really know who I am
I don't wanna play no games
So catch me if you can
It didn't work out the way that you planned
Bragged to your friends
Said you were the man
Now what you going to do
Since your plan is blown
Couldn't get this little girl
Couldn't get this little girl
Now you're crying all alone
I'm not too young to know
The right things to do
And one of those things is
Not to fall for you
Boy I don't want no play
Didn't you hear me say
I'm not going to fall for you
So please just go away I'm not too young to know
The right things to do
And one of those things is
Not to fall for you
Boy I don't want no play
Didn't you hear me say
I'm not going to fall for you
So please just go away
