

# Mandy Moore, What You Want

I....

Love to love you

I...

Love to love you

Some boys are full of noise But boy you caught my ear

Wanna see if you got something to say

No lies or alibies

The nonsense stops here

Be my man you can be on your way

Play it smart boy

(Whatcha gonna do whatcha gonna do)

If you wanna reach me

Touch my heart boy

(Whatcha gonna do whatcha gonna do)

Cuz that's how to please me

What you want

I can be I'm the girl of your fantasy

As long as you love me (as long as you love me)

What you want

I can do (I can do)

All I ask of you

Is baby you love me

Some boys want pretty toys

But I'm so much more

Can't you see that I'm a girl you can trust

Get real with how you feel

Or I'm out that door

Is it love or is it only a crush

Listen up boy

(Whatcha gonna do whatcha gonna do)

And stop talking smack now

Back it up boy

(Whatcha gonna do whatcha gonna do)

Boy step off that track now

What you want

I can be I'm the girl of your fantasy

As long as you love me (as long as you love me)

What you want

I can do (I can do)

All I ask of you

Is baby you love me

What you want

I can be I'm the girl of your fantasy

As long as you love me (as long as you love me)

What you want

I can do (I can do)

All I ask of you

Is baby you love me

I... Love to love you

Love

Is this love

Does it fall from heaven above

Do you feel it boy

Can you feel me boy

I know it's not right

I know it's not wrong

But right here right now

Is where we belong

What you want

I can be I'm the girl of your fantasy

As long as you love me (as long as you love me)

What you want

I can do (I can do)

All I ask of you

Is baby you love me  
What you want  
I can be I'm the girl of your fantasy  
As long as you love me (as long as you love me)
