

# Manfred Mann, Drowning On Dry Land / Fish Soup

Sitting in a silent room  
The walls around me screaming  
Rely on nothing wait on no-one  
Standing between light and dark  
Watch the mirrors gleaming  
Shine on nothing showing no-one

Drowning on dry land  
Cast adrift on an empty sea  
Drowning on dry land  
Put aside with the will to be

Stranded at the break of dawn  
And where the story's ending  
Tells of nothing hearing no-one  
I stand without a word to say  
The silent room is empty  
Sings of nothing changing no-one

Drowning on dry land  
Cast adrift on an empty sea  
Drowning on dry land  
Put aside with the will to be
