

# Manfred Mann, Rivers Run Dry

If I could have just one more night  
All I really need is some time  
Nobody has to tell me just how good you feel  
And I know it's real

When I wake you're not here at all  
I know you've got my number on your wall  
There will be brighter days ahead  
But I've gotta find them  
I don't need remindin'

And like a river can always run dry  
Like a moon can rise in the sky  
Like those tears you dry in your eyes  
I'll always love you

All I need is one more day  
It's so long to ...???  
When I'm with you ...???  
I don't need ...???

And like a river can always run dry  
Like a moon can rise in the sky  
Like those tears you dry in your eyes  
I'll always love you

And like a river can always run dry  
Like a moon can rise in the sky  
Like those tears you dry in your eyes  
I'll always love you  
[repeat to fade]
