

Manfred Mann's Earth Band, I'm Gonna Have You

The tall and the narrow
The foolish or the shallow
The or the [sane/Saint]
The young men

I'm gonna have you all
Gonna tell you what to do
I'm gonna stand you in a line
Gonna step on you

The green or the knowing
The wise or the growing
The [maker/making?] and the preacher
The black man and the teacher

I'm gonna have you all
Gonna tell you what to do
I'm gonna stand you in a line
Gonna step on you

The green or the knowing
The wise or the growing
The [maker/making?] and the preacher
The black man and the teacher

I'm gonna have you all
Gonna tell you what to do
I'm gonna stand you in a line
Gonna step on you
