

Manfred Mann's Earth Band, You Angel You

You angel you
You got me under your wing
And the way you walk
And the way you talk
Feel I could almost sing

You angel you
You're as fine as ev'rythings fine
Though I just walk
And I watch you talk
Your memory's on my mind

Even though I cant sleep at night for trying
Well I never did feel this way before
Never did get up and walk the floor
If this is love then give me more
and more and more
and more and more

You angel you
You're as fine as fine can be
And the way you walk
And the way you talk
Is the way it ought to be

You angel you
