Manic Street Preachers, Motorcycle Emptiness

Culture sucks down words Itemise loathing and feed yourself smiles Organise your safe tribal war Hurt maim kill and enslave the ghetto

Each day living out a lie Life sold cheaply forever, ever, ever

Under neon loneliness motorcycle emptiness Under neon loneliness motorcycle emptiness

Life lies a slow suicide Orthodox dreams and symbolic myths From feudal serf to spender This wonderful world of purchase power

Just like lungs sucking on air Survivals natural as sorrow, sorrow, sorrow

Under neon loneliness motorcycle emptiness Under neon loneliness motorcycle emptiness

All we want from you are the kicks you've given us All we want from you are the kicks you've given us All we want from you are the kicks you've given us All we want from you are the kicks you've given us

Under neon loneliness motorcycle emptiness Under neon loneliness motorcycle emptiness

Drive away and it's the same Everywhere death row, everyone's a victim Your joys are counterfeit This happiness corrupt political shit

Living life like a comatose Ego loaded and swallow, swallow, swallow

Under neon loneliness motorcycle emptiness Under neon loneliness motorcycle emptiness Under neon loneliness motorcycle emptiness Under neon loneliness everlasting nothingness
