

# Manic Street Preachers, Motorcycle Loneliness

motorcycle loneliness  
Culture sucks down words  
Itemise loathing and feed yourself  
smiles

Organise your safe tribal war  
Hurt maim kill and enslave the  
ghetto

Each day living out a lie  
Life sold cheaply forever, ever,  
ever

## CHORUS

Under neon loneliness motorcycle  
emptiness

Under neon loneliness motorcycle  
emptiness

Life lies a slow suicide

Orthodox dreams and symbolic  
myths

From feudal serf to spender

This wonderful world of purchase  
power

Just like lungs sucking on air

Survival's natural as sorrow, sorrow,  
sorrow

## CHORUS

All we want from you are the kicks  
you've given us

All we want from you are the kicks  
you've given us

All we want from you are the kicks  
you've given us

All we want from you are the kicks  
you've given us

## CHORUS

Drive away and it's the same

Everywhere death row, everyone's  
a victim

Your joys are counterfeit

This happiness corrupt political  
shit

Living life like a comatose

Ego loaded and swallow, swallow,  
swallow

## CHORUS
