

Manic Street Preachers, Motorcycle Loneliness

motorcycle loneliness
Culture sucks down words
Itemise loathing and feed yourself
smiles

Organise your safe tribal war
Hurt maim kill and enslave the
ghetto

Each day living out a lie
Life sold cheaply forever, ever,
ever

CHORUS

Under neon loneliness motorcycle
emptiness

Under neon loneliness motorcycle
emptiness

Life lies a slow suicide

Orthodox dreams and symbolic
myths

From feudal serf to spender

This wonderful world of purchase
power

Just like lungs sucking on air

Survival's natural as sorrow, sorrow,
sorrow

CHORUS

All we want from you are the kicks
you've given us

All we want from you are the kicks
you've given us

All we want from you are the kicks
you've given us

All we want from you are the kicks
you've given us

CHORUS

Drive away and it's the same

Everywhere death row, everyone's
a victim

Your joys are counterfeit

This happiness corrupt political
shit

Living life like a comatose

Ego loaded and swallow, swallow,
swallow

CHORUS
