

# Manic Street Preachers, Rock & Roll Music

Just let me hear some of that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
Rock and roll music  
If you want to dance with me  
If you want to dance with me

I've got no kick againt modern jazz  
Unless they try to play it too darn fast  
And change the beauty of the melody  
Until they sound just like a symphony

That's why I go for that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
Rock and roll music  
If you want to dance with me  
If you want to dance with me

I took my loved one over cross the tracks  
So she can hear my man await a sax  
I must admit the have a rockin' band  
Man they were going like a hurricane

That's why I go for that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it

Rock and roll music  
If you want to dance with me  
If you want to dance with me

Way down south they gave a jubilee  
The jockey folks they had a jamboree  
They're drinkin' homebrew from a water cup  
The folks dancin' got all shook up

And started playin' that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
Rock and roll music  
If you want to dance with me  
If you want to dance with me

Don't care to hear 'em play a tango  
I'm in the mood to hear a mambo  
It's way to early for a congo  
So keep rockin' that piano

So I can get some of that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
Rock and roll music  
If you want to dance with me  
If you want to dance with me
