

Manic Street Preachers, What's My Name (The Clash)

What the hell is wrong with me?
I'm not who I want to be
I tried spot cream an' I tried it all I'm crawling up the wall!

What's my name name?

I tried to join a ping-pong club,
Sign on the door said all full up!
I got nicked, fighting in the road
An' the judge didn't even know

What's my name?

Dad got pissed so I got clocked
Couldn't hear the tannoy so he lost the lot
Offers mum a bribe through the letter box
Drives you f**king mad

What's my name?

Now I'm round the back of your house at night
Peeping in the window - are you sleeping tight?
I laugh at your locks with my celloid strip
An' you won't know who came

What's my name?
