

# Mannequin Mars, Killer On The Dance Floor

## VERS 1:

This beat goes through my brain like an 808  
I'm not here to talk, I'm here to get some fuckin' fame  
I know you probably don't even know my name  
It doesn't matter how you do the mannequin

You can kill me if you wanna  
'coz you know I'm so hot  
And I violate the scene  
When I pop and I rock

When I talk that talk  
And walk that walk  
You're the bottom and I am the top  
Motherfuck (2x)

## CHORUS:

There's a killer on the dancefloor  
Uh oh  
Everybody wanna know-Uh oh  
There's a killer on the dancefloor  
I got it, you got it  
Whoa-oh  
There's a killer on the dancefloor  
Uh oh  
Everybody wanna know-uh oh  
There's a killer on the dancefloor  
And I don't mind 'cause we're 'bout to go

## VERS 2:

This tribute to old-school I truly dedicate  
If this track was a guy it would get so damn laid  
The killer's on the loose but no I'm not afraid  
It doesn't matter how you do the mannequin

You can kill me if you wanna  
'coz you know I'm so hot  
And I violate the scene  
When I pop and I rock

When I talk that talk  
And walk that walk  
You're the bottom and I am the top  
Motherfuck (2x)

## CHORUS:

There's a killer on the dancefloor  
Uh oh  
Everybody wanna know-Uh oh  
There's a killer on the dancefloor  
I got it, you got it  
Whoa-oh  
There's a killer on the dancefloor  
Uh oh  
Everybody wanna know-uh oh  
There's a killer on the dancefloor  
And I don't mind 'cause we're 'bout to go

## B-HOOK:

There's a killer on the dance, dance, dancefloor
