

Mano Negra, KILLIN' RATS

There's a place in the city
Just down by the River
All the Rats went crazy
Got fangs made of Silver
KILL THOSE RATS
They're cruisin downtown
Their eyes full of anger
If they can't hurt you
They will find another
KILL THOSE RATS
They will shutdown your father
They will spit on your mother
Rape brown girl & slaughter your brother
Killin' Rats
Thoses Rats need a SCRATCH!
LIKE THAT!
All you Real cool cats
Put yourself together
Got them Back to their
Swamp! Before they make you surrender
Old cats they quiver!!
Cause it makes them remember
About a long time ago
When they fought Rats father
Was a Rat called H i t l e r
Set the world on fire
This is no fare game
They wanna do it again
