

# Manowar, Hail And Kill

(Joey DeMaio, Ross The Boss)

Brothers I am calling from the valley of the kings  
With nothing to alone  
A dark march lies ahead, together we will ride  
Like thunder from the sky  
May your sword stay wet like a young girl in her prime  
Hold your hammers high

Blood and death are waiting like a raven in the sky  
I was born to die  
Hear me while I live  
As I look into your eyes  
None shall hear a lie  
Power and dominion are taken by the will  
By divine right hail and kill

Hail, Hail, Hail, Hail and Kill, Hail and Kill  
Hail, Hail, Hail, Hail and Kill, Hail and Kill

My father was a wolf  
I'm a kinsman of the slain  
Sworn to rise again  
I will bring salvation, punishment and pain  
The hammer of hate is our faith  
Power and dominion are taken by the will  
By divine right hail and kill  
Hail, Hail, Hail, Hail and Kill, Hail and Kill  
Hail, Hail, Hail, Hail and Kill, Hail and Kill

Rip their flesh  
Burn their hearts  
Stab them in the eyes  
Rape their women as they cry  
Kill their servants  
Burn their homes  
Till there's no blood left to spill  
Hail and Kill  
Power and dominion are taken by the will  
By divine right hail and kill

Hail, Hail, Hail, Hail and Kill, Hail and Kill
