

# Manowar, Warriors Of The World

Here our soldiers stand  
From all around the world  
Waiting in a line  
To hear the battle cry  
All are gathered here  
Victory is near  
The sound will fill the hall  
Bringing power to us all

We alone are fighting for metal  
That is true  
We own the right to live the fight  
We're here for all of you  
Now swear the blood upon your steel  
Will never dry  
Stand and fight together  
Beneath the battle sky

Chorus:  
Brothers everywhere  
Raise your hands into the air  
We're warriors,  
Warriors of the world!  
Like thunder from the sky  
Sworn to fight and die  
We're warriors,  
Warriors of the world!

Many stand against us  
But they will never win  
We said we would return  
And here we are again  
To bring them all Destruction,  
Suffering and pain  
We are the hammer of the gods  
We are thunder, wind and rain

There they wait in fear  
With swords in feeble hand  
With dreams to be a king  
First one should be a man  
I call them out and  
Charged them all with  
A life that is a lie  
And in their final hour  
They shall confess before they die

Chorus: repeat

slow  
If I should fall in battle  
My brothers who fight by my side  
Gather my horse and weapons  
Tell my family how I died

Till then I will be strong  
I will fight for all that is real  
All who stand in my way  
will die...  
By steel...

Chorus 2:  
Brothers... repeat 4x
