

# Mansun, Six (single Version)

And you see, I kind of shivered to conformity  
Did you see the way I cowered to authority  
You see, my life, it's a series of compromises anyway  
It's a sham, and I'm conditioned to accept it all, you see

(More) than I had before  
(More) than I've presently got  
(More) than I'll ever use up  
(More) than I really need  
(More) than I had before  
(More) than I could possibly spend  
(More) than I'll ever use up  
(More) than I really need  
It's more than I can spare  
My religion is caged

Safe from progress, purgatory I know  
How does this affect me  
Emotionally affect me

Will they let me go  
Will they let me go  
Will they let me go  
Equilibrium imbalanced again

I feel no pain  
I feel no...  
I feel no pain  
The Jabberwocky haunts me, in my memory it's caged

I feel no pain (I feel no pain)  
I feel no... (I feel no...)  
I feel no pain (I feel no...)  
But if you punched me in the stomach then I'd feel it again

Life is a compromise anyway  
Life is a compromise anyway  
Life, it's a compromise anyway  
Life, it's a compromise anyway  
And it's a sham, and I'll accept it all

And you see, I kind of shivered to conformity  
Did you see the way I cowered to authority  
You see, and my life, it's a series of compromises anyway  
It's a sham, and I'm conditioned to accept it all, you see
