

Manu Chao, Indios Del Barcelona

Welcome anywhere you come from
you'll lose your life or find a home here
cause some do it right some do it wrong
some they're running their tongues

lot of soul in my block
from st paul to the dock
are you ready to be hurt & shocked ?
barrio chino never fails to rock

los indios del barcelona
son mas indios que los de Arizona !

drink wine, smoke pot, got through jaco
busca la fortuna, vende tabaco

try your dirty tricks with no shame
you'll pay for them with blood & pain!

hey gringo! if you want kicks tonight
come on! see you down the bar at 9(you too gabacho)
la pachanka's the wild sound
for proud souls & lonely hounds

Cherokees they are movin'on
up to calle st paul, mascaleron powhou
there's gonna be war in the streets
Gringo better take a trip trip trip
