

# Manu Chao, The Bleedin Clown

Goes people grim when I come 'round  
And kids they call me the bleedin' clown  
I used to make the children happy  
Now lil' girls cry when they look at me

Im going down down down  
Im going down

You left me' you left me' you left  
And im lonely  
You left me' you left me' you left  
And im lonely

I lost my reputation crown  
Theres nothing o' me but a bleedin' clown

Cos little girl found another boy  
And left behind just a broken toy

You left me' you left me' you left  
And im lonely  
You left me' you left me' you left  
And im lonely

Goes people grim when I come 'round  
You left me you left  
And im lonely  
And kids they call me the bleedin' clown  
You left me you left  
And im lonely  
I used to make the children happy  
You left me you left  
And im lonely  
Now lil' girls cry when they look at me  
You left me you left  
And im lonely  
you left  
And im lonely  
you left  
And im lonely  
Lonely
