## Marc Anthony, Everything You Do

I love the way you smile when I look in your eyes I love the way you laugh when I try to be funny And how the tears roll down your face When I say no one could ever take your place

[Chorus:] Cause baby when you sleep I watch you breathing Baby when you dream I dream with you Cause everywehre you are is where I want to be it's true Everything you do makes me know how much I love you

The way you touch my lips right after every kiss And softly whisper that I'm your everything The way you pray our love won't die Everynight just before you close your eyes

[Repeat Chorus]

And I believe some things are meant to be Sure as there is love yours was meant for me

[Repeat Chorus]
