## Marcelina Szlachcic, Circles

We couldn't turn around 'til we were upside down I'll be the bad guy now, but know I ain't too proud I□couldn't be there even when I tried You□don't believe it, we do this every time

Seasons change and our love went cold Feed the flame 'cause we can't let go Run away, but we're running in circles Run away, run away I dare you to do something I'm waiting on you again, so I don't take the blame Run away, but we're running in circles Run away, run away, run away

Let go, I got a feeling that it's time to let go I said so, I knew that this was doomed from the get-go You thought that it was special, special But it was just the sex though, the sex though And I still hear the echoes (The echoes) I got a feeling that it's time to let it go, let it go

Seasons change and our love went cold Feed the flame 'cause we can't let go Run away, but we're running in circles Run away, run away I dare you to do something I'm waiting on you again, so I don't take the blame Run away, but we're running in circles Run away, run away, run away

Maybe you don't understand what I'm going through It's only me, what you got to lose?

Make up your mind, tell me, what are you gonna do? It's only me, let it go

Seasons change and our love went cold Feed the flame 'cause we can't let go Run away, but we're running in circles Run away, run away I dare you to do something I'm waiting on you again, so I don't take the blame Run away, but we're running in circles Run away, run away, run away
