

# Marcy Playground, Gone Crazy

Come back and be  
Come back for free  
Come back and stay child  
Have you gone crazy  
Molly, it must be fine  
It seems so dreamy to be sublime  
Molly has gone to Spain  
Has gone with Venus to watch the rain

And it seems that's not the place where you belong  
And it seems that's not the place where you belong  
When there's no sun and there's no moon  
And there's no stars child have you gone crazy

Come back and be  
Come back for free  
Come back and stay child  
Have you gone crazy  
Molly it must be fine  
It seems so dreamy to be sublime  
And Molly the whippoorwill  
Has gone to space boy, she is there still  
When there's no sun and there's no moon  
And there's no stars child have you gone crazy
