

# Marcy Playground, Jesse Went To War

Jesse when you went to war  
And never did return  
Summer came and all the girls were  
Sitting on the lawn  
Looked down at all those letters  
And I knew that you were gone  
But I came back  
I came back

Brothers inseparable  
Two rabble rousing boys  
Dreaming all the new mischief  
And making all the noise  
When Bobby bought that Chevy man  
Well I knew that we were poised  
But I came back  
I came back

And tonight when darkness comes  
I dream of how we were once  
And tonight when I sleep  
An angel hums

Jesse when you went to war  
And never did return  
Summer came and all the girls were  
Sitting on the lawn  
Looked down at all those medals  
And I knew that you were gone  
But I came back  
I came back  
I came back
