

Marcy Playground, The Angel Of The Forever Sleep

Marcy Playground - The Angel of the Forever Sleep

Hello, I have come from heaven
Down, All these things
My angel wings
Hold to them tight

Time for you to wake
Sleep, sleep, sleepy head

Right, to a place of mercy
Right, on these things
My angel wings
Hold to them tight

It's time to go, goodnight
Goodnight
Goodnight
Goodnight

In the
Middle of the night
Float away
Lest the fears you hold
Hold fast to the earth
Forever to haunt

Hello
Hello, time to go goodnight
Goodnight
