

# Marcy Playground, Wave Motion Gun

Backstage behind the curtain there's an  
There's an armchair with a secret engine and you  
You climb in and get naked watching Star Blazers

Wish you had their amenities  
To fend off your enemies  
In one big blast from your wave motion gun

And so you reach down to that secret panel and there's a  
There's a whole raft of little buttons and you  
You pick one and hope it takes you to Mars

Soon there'll be no pain again  
You'll feel like yourself again  
When you shoot all your heroin  
In one big blast from your wave motion gun

And so downstairs behind the oven there's a  
There's a dark hole where, where the gas comes in  
You know you should, you should climb in  
It'll get you there so much faster

Soon there'll be no pain again  
You'll feel like yourself again  
When you shoot all your heroin  
In one big blast from  
In one big shot from  
In one big blast from  
In one big shot  
>From your wave motion gun
