

Marduk, Departure From The Mortals

Dreadful life, time to die
Visions of Black ends my life
Retribution I am saved
Without form I shall be evil
Departure from the mortals
As my life ends
Departure from the mortals
But I will remain
May my lust be fulfilled
Reach the land of no return
In the forest of the dead
My evil soul will dwell
Departure from the mortals
As my life ends
Departure from the mortals
But I will remain
