

# Marduk, Throne Of Rats

Plague upon plague  
Black boil redemption  
On this sea of rats shall I set my throne  
Halo of fleas  
Blood puke salvation  
Only fire is now clean enough to touch your soul  
Throne of rats  
Sword of disease  
Throne of rats  
See how the body contracts  
Until your limbs become a rope of madness  
Rope of regret  
The piece of purity  
Rope of regret  
Throne of rats  
Sword of disease  
Throne of rats  
Older than time am I, and yes I am for evermore  
Constantly reshaping reforming to suit your sins  
Death upon death  
Black Death redemption  
On this sea of death shall I claim my crown  
Halo of death  
Death puke salvation  
Only death is now pure enough to forgive your sins  
Throne of death  
Justice is done  
Throne of rats
