## Maria Mena, All This Time (Pick-Me-Up Song)

You self-destructive little girl Pick yourself up, don't blame the world So you screwed up, but you're gonna be ok

Now call your boyfriend and apologize You pushed him pretty far away last night He really loves you, you just don't always love yourself.

And all this time Ohohoho all this time You've had it in you Just sometimes need a push (La, Ia, Ia, Ia, Ia) All this time Ohohoho all this time You've had it in you Just sometimes need a push (La, Ia, Ia, Ia, Ia)

Think all the mean girls that pulled your hair Are barefoot now and pregnant there And you write pop songs and went to travel round the world

And all this time Ohohoho all this time You've had it in you Just sometimes need a push (La, Ia, Ia, Ia, Ia) And All this time Ohohoho all this time You've had it in you Just sometimes need a push (La, Ia, Ia, Ia, Ia)

So you've had some detours, some stupid men Now we know what not to do again Besides, you looked out, finally

And all this time (all this time) Ohohoho all this time (all this time) You've had it in you Just sometimes need a push (La, Ia, Ia, Ia, Ia, Ia) All this time (all this time) Ohohoho all this time (all this time) You've had it in you Just sometimes need a push (La, Ia, Ia, Ia, Ia)

All this time Ohohoho all this time You've had it in you Just sometimes need a push (La, Ia, Ia, Ia, Ia)

(All this time, all this time... La, la, la, la, la, la)
