

# Maria N, I Wanna ( Eurovision 2002 )

I'd like to go away  
But it's easier to say  
That you know all the tricks that make, that make me stay  
I'm ready to support  
This artful game you always play  
Cos you don't know the fee  
That you will later, later pay  
Today you think you are the winner  
Today you think you are the king  
You make me sweat in my emotions  
I wanna you to hold me in your arms  
I wanna you to show me shooting stars  
I wanna you to tell me sweet lil' lies  
I wanna see the love spark in your eyes  
I wanna you to hold me in your arms  
I wanna you to show me shooting stars  
I wanna you to tell me sweet lil' lies  
I wanna see the love spark in your eyes  
ay-yi-yi-yi  
I like a simple game  
But it's just easier to say  
That you own all that rules  
Your crazy, crazy ways  
Even though you go on doing  
Whatever, whatever you may  
Just remember it's me that finds you  
When, when you will stray  
Today you think you are the winner  
Today you think you are the king  
You make me sweat in my emotions  
I wanna...
