

Maria Sadowska, Life Is A Beat

It's a crazy, crazy life
It's a crazy, crazy life

I couldn't slow down
But I run my way
They try to (?) me
With a regular (?)
They shut me down
(?)
It's my soul any way

I mean enough to take my first big step
I am (?) enough to make a change
I'm into (?) big drum
Coz Life Is A Beat

It's a crazy, crazy life
It's a crazy, crazy life
It's a crazy, crazy life
Crazy life
Coz Life Is A Beat gonna make me feel
Got a gimmick
