Mariah Carey, All My Life

I've been waiting for someone to come into my life Who would bring me joy and give me pleasure I have taken chances on romances once or twice And I found that in my heart it's you I treasure You and only you can make me feel the way I do You and only you can make it better You and only you can do the freaky things you do And I'm so into you and that's forever and ever All my life My love's been waiting for you All my life My heart's been waiting too All my life????? I've been wishing on a star I've been praying on my knees I've got some sly and sexy tricks to show you

I know you I'll show you

You and only you can make me feel the way I do You and only you can make it better You and only you can do the freaky things you do And I'm so into you and that's forever and ever All my life My love's been waiting for you

Most of all I'll give you anything boy that you need

My love's been waiting for you All my life
My heart's been waiting too
Don't you know I need you
And adore you
All my life I'll give to only you

To keep you right here by my side
