

Mariah Carey, Dedicated (ft. Nas)

I just sit right here and sing that good old school to you
I won't fool you, I won't make you be my own
Oh baby you know, that love-making we did
Boy it was so real I wanna feel that again
Long lost friend from way back when Kennedy was president
Tell me 'bout the melody
And if you still care, say yeah yeah
Sing it like they used to do [?]
La ri la ri la ri ra
That's how you do it
That's how to make it okay
Oh baby you know, make love that's how you do it
Just like we did back then
Well, this is dedicated to you

I just sit right here and sing that good old school to you
I won't fool you, I won't make you be my own
Oh baby you know, that love-making we did
Boy it was so real I wanna feel that again
Know your friends from way back then
Sing it in your visuals [?]
Feels like we're back, yeah, yeah
We were so afraid to say
I heard them say back to me
La ri la ri la ri ra
That's how you do it
That's how to make it okay
Oh baby you know, make love that's how you do it
Just like we did back then
Well, this is dedicated to you

[Nas]

This is dedicated to you
Oh baby you know, this is dedicated to you
This is dedicated to you
This is dedicated to you
Oh baby you know, this is dedicated to you
