

Mariah Carey, How Much

The way I feel for you
I can't describe
It's almost too intense
To verbalize
Essentially you're all
I'm living for
And basically each day
I need you more and more

[Chorus:]
Have you even been so enamored baby
That's how much I love you
All I need in this life, you see
Is me and my boyfriend
Have you ever felt lost
When you know you gotta leave me
That's how much I love you

Love is yours and mine
Till the very end
Just me and my boyfriend

Don't underestimate the love in me
It's obvious these feelings run so deep
I fail and fail for you day after day
Nobody else could ever take your place

[Chorus]

You don't gotta waste your time and worry
You don't gotta look for reassurance
'Cause clearly you're the only one that's getting this and
Sugar I don't need nobody else
But you
And honey I ain't letting go too soon
Because I can't get enough
Why you asking how much?
It's more than you can handle baby

[Chorus]
