

Mariah Carey, If We

Mariah and Ja:

I never thought
(who woulda thought baby)
that I'd be
(missin you baby)
without you
(I need you baby)
by me
(why me)

I never thought
(who woulda thought baby)
that I'd be
(missin you baby)
without you
(I need you baby)
by me

Ja:

I love it when youre riding next to me
on me actually, puff that ecstasy
reminiscin' how we used to smoke and freak
f*ck and fall asleep blockin' for a week
now we barely even talk and walk the block
kiss and cuddle up girl we losing touch
what's a man to do but go crazy babe
I know you mad but you dont really hate me babe
it's deeper than that

Mariah:

If we got together again
sugar I would be your very best friend
I would love you unconditionally
you'd never wanna let me go baby
promise I would be by your side
be everything you need to get by
my broken heart would finally mend
darlin' if we were together again

Nate Dogg:

Sometimes I close my eyes and just pretend
but if I had a chance to do it all again
sometimes for happiness we hesitate
just like the game I hear that love won't wait
but if I had another best friend
well if I had someone who would go deep and
someone who makes me feel like you used to
tell me baby what would you do

Mariah:

If we got together again
sugar I would be your very best friend
I would love you unconditionally
you'd never wanna let me go baby

promise I would be by your side
be everything you need to get by
my broken heart would finally mend
darlin' if we were together again

Ja:

Why would you go through the pain
of loving another man
truth is nobody can love you like I can
It's a damn shame we can't get along
we used to get it on where'd did it all go wrong
I admit the flesh is weak but the game is strong
we go my way your way baby we moving on
It's true I'm gonna miss you
who woulda thought that I'd be without you

Mariah and Ja:

I never thought
(baby theres nothing to lose)
that I'd be
(you know my souls so cold)
without you
(and my love is pain)
by me
(baby one more time)

I never thought
(my baby)
that I'd be
(pride and joy)
without you
(imma make you mine)
by me
(without you whoo)

Mariah:

If we got together again
sugar I would be your very best friend
I would love you unconditionally
you'd never wanna let me go baby
promise I would be by your side
be everything you need to get by
my broken heart would finally mend
darlin' if we were together again
