

# Mariah Carey, Miss You

Oo oo ooooooo  
Baby baby I miss you

Longing for you everyday  
And I reach for you everynight  
Baby nothing's been the same  
Since the day we said goodbye  
And I can't go on  
Like this for too long

Boy I need you next to me  
And I'm hungering for your touch  
Caught up in the memories  
And you're all I'm thinking of  
Cause I can't get past  
What we used to have

I'm talkin bout how I used to like it  
When you whispered to me  
Tell me that yo love me  
Baby won't you come back  
Cause I'm really in need  
I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you  
Think about us  
Think about how much  
I miss you

All I do is reminisce  
Of the love that we used to share  
Can't recover from your kiss  
Because nothing else compares  
Ain't no substitute  
When it comes to you

Visions of us hand in hand  
Come to me when I close my eyes  
Baby I don't understand  
How we let it all slip by  
Tell me, can't we try  
Maybe one more time

I'm talkin bout how I used to like it  
When you whispered to me  
Tell me that you love me  
Baby won't you come back  
Cause I'm really in need  
I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you  
Think about us  
Think about how much  
I miss you

(remember when)  
Our eyes first met  
I knew I'd never be the same again  
(why can't it just)  
Be like it was  
Enough is enough  
Baby I miss your love

I'm talkin bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
Cause I'm really in need  
I'm lost in your love  
And I don't wanna be with nobody else  
I just think about you  
Think about us  
Think about how much  
I miss you
