

Mariah Carey, The Star

on the dark night
something said Follow the light
so you look up and see the word
that's written upon the sky
strong and wise
keeping the Lord as you guide
and through the dount, you realize
he's with you all the while

follow that star aboye you
should the world try to break you down
there's one who waits for you
though you can't see him now
but his love's just a breath away
if you follow your heart
follow the light
follow that .. star

follow your heart
it's Christmas
/2x
shining bright
the spirit of love at first sight
and when the door won't welcome you
heaven will help you inside
gathered around
bearing the gifts to the crown
a miracle comes the babe is born
and angels are heard on high

follow that star aboye you
should the world try to break you down
there's one who waits for you
though you can't see him now
but his love's just a breath away
if you follow your heart
follow the light
follow that .. star

follow your heart
it's Christmas
/2x
