

Mariah Carey, Thirsty (Ft. Rich Homie Quan)

Oh, you?re thirsty
Oh, you?re thirsty
Oh, you?re thirsty

You sent the bright lights
Even changed your name
Say you?re a boss now
You?re nothing like ...
Or almost anything

You used to be Mr. all over me
Now you?re disgusting
They say what happened to your ...
Pull out no gun boy, and act like you see

You?re my thirsty for my dream
Leaving me drowning
Boy there ain?t no SOS
Filled with discomfort
...

Oh, you?re thirsty
Oh, you?re thirsty
Oh, you?re thirsty

You try to be a boss now
They gave you a boss now
Boy you?re so fucking thirsty
Boss now
You try to be a boss now
They gave you a chief now
Boy you?re so f*cking thirsty

Oh, you?re thirsty
Oh, you?re thirsty
Oh, you?re thirsty
