

Marianne Faithfull, Crazy Lady Blues

This morning too didn't rise before noon
She's a lazy lady today.
Always young and new with your eyes on the moon,
You're a crazy lady like you said.
Crazy lady.

Now should I say more before I know you so well?

You're no hazy maiden in gray.
How can I be sure? it's not easy to tell,
But you're a crazy lady like you said.
Crazy lady.
