

Marianne Faithfull, Morning Sun

I see the morning sun
Coming over the hill,
Sorrow and pain for me
Coming over the hill.

I'm very sad
Lost love for me
But I will love again.

I know a man
Who breaks every heart that he can.
I know him well
For I have been hurt by this man.

I'm very sad,
Tears follow me,
But I will love again.

I'm very sad,
Tears follow me,
But I will love again.

I know a man
Who promises that he'll be true
And I look back once again,
Well, what else could I do?

I'm very sad
But he is true
And we will love again.

I see the morning sun
Coming over the hill.
I see him and he says
That he'll stay
And he will.

I'm sad no more,
He comforts me
And we will love again.
