Marianne Faithfull, Somebody Loves You

It's been a long time since you went away, I stop to think of you most every day With all my heart I'm hoping you're ok. Guess who loves you? Somebody loves you.

I couldn't reach you by the us mail, You didn't leave a very easy trail I tried to telephone to no one bail Guess who loves you? Somebody loves you?? I do.

Na Oh, oh. Na Oh. Na Someone loves you, Somebody loves you.

Mind over matter is the game I play I'll never each you any other way. So I send this one thought to you every day:

"guess who loves you? Somebody loves you?? I do."

I couldn't reach you by the us mail, You didn't leave a very easy trail I tried to telephone to no one bail Guess who loves you? Somebody loves you?? I do.
