

# Marianne Faithfull, Witches' Song

Shall I see tonight sister, bathed in magic greet  
Shall we meet on the hilltop where the two roads meet.  
We will form the circle, hold our hands and chant,  
Let the great one know what it is we want.

Danger is great joy, dark is bright as fire,  
Happy is our family, lonely is the ward.

Sister, we are waiting on the rock and chain  
Fly fast through the airwaves, meet with pride and truth.

Danger is great joy, dark is bright as fire,  
Happy is our family, lonely is the ward.

Father, we are waiting for you to appear.  
Do you feel the panic, can you see the fear?  
Mother, we are waiting for you to give consent.  
If there's to be a marriage, we need contempt.

Danger is great joy, dark is bright as fire,  
Happy is our family, lonely is the ward.

La da da da da da, la la la la la.  
La da da da da da, la la la la la.  
La da da da da da, la la la la la  
La da da da da da, la la la la la...

Remember death is far away and life is sweet.
