

# Marillion, Most Toys

But he who dies with the most toys...  
is still dead  
He who dies with the most toys...  
is still dead.

You have to be cool  
You have to be hip  
You have to be chic  
You have to be rich  
You have to be young  
Whatever that is  
You have to listen to what's in and  
what's happenin'

But  
He who dies with the most toys...  
is still dead.

You have to keep up  
Take the right drugs  
Know when to be cagey  
Know when to shut up  
You have to talk fast  
Know who to thank  
Drive the right car to the right bank

But  
He who dies with the most toys...  
is still dead.

Poison your life  
As you turn the knife

He who dies with the most toys...  
is still dead.
