

# Marillion, Somewhere Else

This rock-star trip. Some serious ship  
White-knuckle journey blackened my  
eye and cut my lip  
Better to be a doctor or a man who  
walks the earth  
Hedonistic laughing boys  
What's any of it worth?...

Look at myself  
Look at myself

Escaped to the car  
Drove to a bar somewhere  
The beautiful game  
Such a thin line between love and hate

Look at myself  
Look at myself

Mr. Taurus ate a thesaurus  
Made the girls cry and skipped straight  
to the chorus  
Mr. Taurus had a great fall  
All the King's horses where no good  
at all  
No good at all

Here's one I broke earlier  
I broke earlier

Woke up in a spaceship of shimmering gold  
Tutenkhamen sleeping  
Should'a left him alone  
Floating round in Orion  
Arrow pointing to heaven  
Between all the planets  
Out in the cold

Everyone I love  
Everyone I love  
Everyone I love lives somewhere else  
And I have time to look at myself  
Look at myself  
Look at myself

And I've seen enough  
I've seen enough  
Everyone I love lives somewhere else.  
Everyone I love lives somewhere else.

Somewhere Else  
Somewhere Else  
Somewhere Else
