Marilyn Manson, Blank and White

as if we need a why III be it, and I'll be the who for an apocalypse how. if the world had one neck, my hands would be the where, and I would choke all of you down, I would choke all of you down, I would choke all of you down Give me a picket sign and make it blank and white like all those stupid teenage girls we are gonna to need them where were going tonight. all you fuckers vote beep, beep, beep in drunk karaoke cars if its too dumb to see, or say, you still sing it, I'll just cure the applause lets make sure the music is loud enough we wont even hear it end give me a picket sign and make it blank and white like all those stupid teenage girls we are gonna to need them where were going tonight. I want to celebrate, I want to sell you hate, todays the day you're gonna fucking die. I want to celebrate, I want to sell you hate, Your demons wanna give you a proper goodbye.
