

# Marilyn Manson, Disposable Teens

and I'm a black rainbow  
and I'm an ape of god  
I got a face that's made for doing violence upon  
I'm a teen distortion  
survived abortion  
a rebel from the waist down

I wanna thank you mom  
I wanna thank you dad  
for bringing this fucking world  
to a bitter end  
I never really hated a one true god  
but the god of the people I hated

you said you wanted evolution  
the ape was a great big hit  
you say you want a revolution, man  
and I say that you're full of shit

we're disposable teens  
we're disposable teens  
we're disposable teens  
we're disposable

we're disposable teens  
we're disposable teens  
we're disposable teens  
we're disposable

you said you wanted evolution  
the ape was a great big hit  
you say you want a revolution, man  
and I say that you're full of shit

The more that you fear us  
the bigger we get  
the more that you fear us  
the bigger we get  
and don't be surprised, don't be surprised  
don't be surprised when we destroy all of it
