

Marilyn Manson, Dune Buggy(Choklit Cow)

Take it out, take it out
Take it out, take it out
Take it out
Dog god bites my face
Rip it out by the roots
Rip it out by the roots
From my skull
Goddamn toilet washes me away
I am the chocolate cow
Chocolate cow
Ask forgiveness and
I'll show you how
Trippin this, trippin this
Trippin this
Trippin that
Smile like a Cheshire cat
Get it out, get it out
Get it out of your skull
You're just a doll
I make sometimes to play Take me down now
Hole in the ground The little girls think
That I'm so sweet
Mocked up and down
Heart like a ghost town
Spirits of the world
Cower at my feet
I am the chocolate cow
Ask forgiveness and
I'll show you how
