

Marilyn Manson, Mobscene The Official Song

"mOBSCENE"
"ladies and gentlemen"
we are the things of shape to come
your freedoms not free and dumb
this depression is great
the deformation age, they know my name
waltzing to scum and base and
married to the pain
bang we want it
bang we want it
bang, bang, bang, bang bang
you came to see the mobscene
I know it isnt your scene
its better than a sex scene and its
so fucking obscene, obscene yeahhh
you want commitment?
put on your best suit, get your arms around me
now were going down down down
you want commitment?
put on your best suit, get your arms around me
now were going down down down
girls: be obscene, be be obscene, be obscene baby and not heard
the day that love opened our eyes
we watched the world end
we have "high" places but we have no friends
the told us sins not good but we know its great
war-time full-frontal drugs, sex-tank armor plate
bang we want it
bang we want it
bang, bang, bang, bang bang
you came to see the mobscene
I know it isnt your scene
its better than a sex scene and its
so fucking obscene, obscene yeahhh
you want commitment?
put on your best suit, get your arms around me
now were going down down down
you want commitment?
put on your best suit, get your arms around me
now were going down down down
girls: be obscene, be be obscene, be obscene baby and not heard
girls: be obscene, be be obscene, be obscene baby and not heard
you came to see the mobscene
I know it isnt your scene
Its better than a sex scene and its
so fucking obscene, obscene yeahhhhhh
you want commitment?
put on your best suit, get your arms around me
now were going down down down
you want commitment?
put on your best suit, get your arms around me
now were going down down down
