

# Marilyn Manson, Slutgarden

I'll pretend that I want you  
For what is on the inside  
But when I get inside,  
I'll just want to get out  
I'm your first and last deposit  
Through sickness and in hell  
I'll never promise you a garden  
You'll just water me down  
I can't believe that you are for real  
But I don't care as long as you're mine

When I said we  
you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)  
When I said we  
you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)

I'm unsafe, I'm unsafe  
I won't repent and so  
I memorize the words to the porno movies  
It's the only thing I want to believe  
I memorize the words to the porno movies  
This is a new religion to me

I'm a VCR funeral of  
Dead-memory waste and  
My smile is a chainlink fence  
that I have put up  
I love the enemy, my love is thee enemy  
They say they don't want fame  
But they get famous  
When we fuck

When I said we  
you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)  
When I said we  
you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)

I'm unsafe, I'm unsafe  
I won't repent and so  
I memorize the words to the porno movies  
It's the only thing I want to believe  
I memorize the words to the porno movies  
This is a new religion to me

I never believed the devil was real  
But god couldn't make someone filthy as you

When I said we  
you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)  
When I said we  
you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)  
When I said we

you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)  
When I said we  
you know I meant me and  
When I said sweet  
I meant dirty (hey, hey)

You are the church  
I am the steeple,  
When we fuck  
We're all god's people  
You are the church  
I am the steeple,  
When we fuck  
We're all god's people
